### FRATERNITY CUP CONTEST

In 1924 the Phi Delta Phi fraternity made a gift of a scholarship cup to be held by the trustees of the school in trust and to be awarded each semester to the fraternity having the highest scholarship standing for the present school year. Since the gift of the cup it has been awarded to the different fraternities as follows:

Phi Alpha Delta.....	once
Delta Chi .....	twice
Phi Delta Phi.....	twice
Nu Beta Epsilon....	three times

The scholarship standings for the last semester of the school year 1926-27 are as follows:

Phi Delta Phi.....	2.072
Phi Alpha Delta.....	1.554
Delta Chi .....	1.371
Delta Theta Phi.....	1.312
Alpha Sigma Iota.....	1.063
Kappa Beta Pi.....	.421

The cup is thereupon awarded to Phi Delta Phi for the last semester. The gift of this cup has awakened a keen spirit of competition among the students and has materially elevated the scholarship standards of the school.

### DELTA THETA PHI

The opening of the school year found the ranks of Delta Theta Phi depleted through the graduation of Charles Bullard and Ty Crum and by the transfer of Kenneth Anglemire to Northwest-

ern. Work was immediately begun to rebuild the Senate for the coming year. On Tuesday, September 27 a smoker was held at the Hotel La Salle which was attended by all the active members as well as a large number of alumni, pledges and guests. A number of other smokers will be held during the fall semester. The most important event that will take place during the next year however will be the National Convention of Delta Theta Phi which is to be held in St. Louis, December 27, 28 and 29. Preparations are already being made for a large delegation of active and alumni members from the Chicago Senate to attend. Several of the fellows report that the golf tournaments held by the Chicago Alumni Senate during the summer were well attended by active members.

### Delta Theta Phi Scholarship Key

The Delta Theta Phi fraternity has granted a scholarship key, since its organization, to senior members of its fraternity whose grades are among the highest fifteen per cent of their class. At the last National Convention it was decided to award this key to members of the junior class whose average was among the highest seven and one-half per cent. Webster Senate Delta Theta Phi is glad to announce at this time that a key has been awarded to C. J. Morgan a member of the present senior class at Chicago-Kent College of Law. This is a distinct honor and one worthy of the effort of any law student.

### PHI ALPHA DELTA NOTES

Blackstone Chapter starts this school year with twenty-nine brothers in school, namely: R. J. Anderson, E. B. Belding, M. W. Bemis, W. H. Buthman, H. Carlson, C. P. Christensen, R. A. Connell, W. F. Desmond, C. H. Edwards, J. Hewitt, S. Hoods, D. W. James, F. Mac-Millan, T. L. McAloon, C. C. Majewski, R. D. Patterson, C. P. Rockwood, D. T. Schubert, V. D. Seaman, H. C. Sewell, V. Sigler, J. Slattery, W. W. Spangler, J. Thorpe, M. Tomlinson, M. P. Tompson, J. I. Upton, F. C. Webster and P. E. White. In addition to these Blackstone Chapter men Brother Demeree of Marshall Chapter, University of Chicago, and Brother McConnell of Hughes Chapter, Denver University, are in school at Kent this year.

The vacation period was marked by two outstanding events. First, there was the golf tournament, held at the Harlem Golf Links, Roosevelt Road and Harlem Avenue. T. L. McAloon walked away with the low gross prize while Harry Carlson copped low net. Your correspondent has conveniently forgotten the scores, however.

During the last week in July an outing was held at Bluff Lake in Northern Illinois. Those attending report a wonderful time, swimming, boating, fishing, golfing at the Chain O' Lakes Golf Club, and various other diversions making the week-end seem all too short, but memories thereof will linger for a long time.

While the vacation was greatly enjoyed by all, everyone is back feeling full of vigor and anxious to make a good showing during this semester.

### SIGMA DELTA KAPPA

With the splendid time had at Brother Meady's home last June still in mind, the members of the Omega Chapter have returned to school with the single exception of Brother Howard T. White who graduated with the June class. Brother White has also successfully

passed the bar examination, and we here-with take the opportunity of extending our best wishes to him.

At the first meeting held this semester, discussion involving social functions to be held thru-out the year was quite prevalent. The Chapter's first venture this year into the social whirl-pool will be on October 7, when a smoker will be held at the Bismarck Hotel.

### PHI DELTA PHI

The big fight is over for Tunney and Dempsey but the struggle for us is still on. Most of the boys are back ready for another round and confident of the decision.

On Friday, September 17th and again on Wednesday, September 21st the members of the inn held a rushing smoker at the Bismarck which was well attended and thoroughly enjoyed.

Two parties in the first week of school is certainly "stepping on it" but the chauffeur is competent and the boys like the ride.

Duffy.
